Dear Client,

Join us as we welcome the **Year of the Snake** with a spectacular Hong Kong sale on **Saturday, February 22**, featuring more than **one thousand lots and an estimated HK \$60 million!** This is a Wood Snake year, which symbolizes determination, progress, and resilience—qualities already shaping the fine wine auction market this year. This sale showcases four exceptional featured collections: **Lights, Camera, Auction!; Further Selections From A Superlative Collection of Domaine de La Romanee Conti; A Double Feature of Domaine de La Romanee Conti Going Back Four Decades;** and **Mint OWC Bordeaux From A Distinguished European Collector.**

We begin our first auction of the Year of the Little Dragon with the largest of our four featured collections—an impressive 449 lots! **Lights, Camera, Auction!, lots 1-449**, comes from a longtime Hollywood executive who, a decade ago, traded the glitz of Los Angeles for the serene landscapes of New Zealand, bringing his treasured collection with him. His passion for wine was awakened in the mid-1980s by a bottle of 1966 Château Margaux. That night, while savoring the wine, he watched a young Madonna and her entourage revel in the energy of the era at a nearby table—a quintessentially '80s moment!!

It was his career that brought him to Los Angeles, the land of fast cars and hopeful stars, where he eagerly explored fine wine retailers, deepening his knowledge and refining his palate. French wines were his first love, including the glorious 1985 and 1990 Red Burgundies, and sharing great bottles became a passion. As a producer, entertainer, and raconteur, he hosted intimate dinner parties, introducing up-and-coming actors, directors, and producers to the magic of fine wine. Now, with more wine than he could ever drink, he's ready to share a piece of his carefully built collection which has been professionally stored in temperature-controlled cellars in New Zealand.

The scene is set with sixty-two star-studded lots of Bordeaux spanning 1983 to 2020. Highlights include eight lots of **Haut-Brion**, featuring 1989 magnums, a full case of 2000 **Margaux**, and Right Bank royalty such as 1998 **Cheval Blanc** and 2003 **Ausone** magnums. The plot thickens as Burgundy takes the stage with more than three hundred lots, headlined by nearly seventy selections from **Domaine de la Romanee Conti** and close to sixty-five from **Rousseau**—both spanning 1996 to 2020!!! The Red Burgundy red carpet continues with **Comte Liger-Belair, Leroy, Hudelot-Noellat, Arnoux-Lachaux, Vogue**, and the list goes on, while White Burgundy plays a splendid supporting role with DRC Corton-Charlemagne and rare Liger-Belair Clos des Grandes Vignes Blanc. A thrilling intermission of **Guigal LaLas, Giacosa, and Salon** leads to a Hollywood-worthy finale: over sixty California icons from the 2000s and 2010s, including eighteen lots of **Hundred Acre**, ten of **Harlan Estate**, plus **Dominus, Scarecrow, and Sine Qua Non**. This simply blockbuster selection is a smash hit, with something for every collector!!!

**Further Selections From A Superlative Collection of Domaine de La Romanee Conti, lots 450-531**, is a decadent treasure trove of eighty selections from DRC spanning the last fifteen vintages!! The offering arrives courtesy of one of our favorite wine warriors—an esteemed collector we are honored to welcome back! Every bottle was purchased upon release, direct from the importer, and meticulously stored in a custom-built, temperature-controlled home cellar. Highlights include rarest magnum-format DRC Assortments in OWC from 2018 and 2020, along with nine selections of Romanee Conti itself and sixteen of La Tache, featuring every vintage from 2011 to 2020!! This is an excellent opportunity to buy DRC in quantity that you do not want to miss, many in magnum format!!

We have a twin bill of DRC with **A Double Feature Of Domaine de La Romanee Conti Going Back Four Decades** in lots **532-629**. A dedicated collector and highly accomplished entrepreneur, this consignor has spent years acquiring the most exquisite and exclusive wines from around the world, with a particular focus on French classics—and an undeniable passion for Domaine de la Romanee Conti, his favorite producer. His love for DRC runs so deep that he has purchased it in enormous quantities—so much so that he's now offering these exciting nearly one-hundred selections from his remarkable cellar to you!! There are an astounding twenty-seven selections of DRC RC back to 1988 and thirty-four La Tache lots back to 1983, along with Echezeaux, Grands Echezeaux, Richebourg, and Romanee-Saint-

Vivant featuring many rare and mature vintages! All wines have been removed from a spectacular, temperature-controlled home cellar.

Next up, we are thrilled to present **Mint OWC Bordeaux From a Distinguished European Collector** in lots 806-959. This gentleman's passion for wine is matched only by his expertise as an architect and art connoisseur. Introduced to the world of fine wine by a close friend, a sommelier in Paris, he quickly became captivated by the allure of Bordeaux, Burgundy, and Rhone, assembling a collection that reflects his impeccable taste and uncompromising pursuit of excellence. This jaw-dropping selection of more than one hundred fifty lots showcases immaculate, blue-chip Bordeaux from the legendary 2009 and 2010 vintages, plus the excellent 2011—with full six- and twelve-bottle cases dominating, all in original packaging!! Standouts include eighteen lots of **Cheval Blanc**, fifteen of **Lafite**, thirteen of **Haut-Brion**, fifteen of **La Mission Haut-Brion**, and eleven of **Mouton**, alongside an all-star lineup featuring **Angelus**, **Latour**, **Le Pin**, **Margaux**, **Petrus**, and more.
