We're thrilled to present one hundred thirty-eight selections **Direct from Sloan Estate**, one of Napa Valley's most celebrated producers, in **lots 430-567**. This is a rare opportunity to acquire deep verticals of both the flagship Sloan Proprietary Red and its expressive second wine, Asterisk, from one of the most impeccably run vineyards in California. Perched in the eastern hills of Rutherford, Sloan Estate's forty-acre property rises to nearly 1,000 feet above the valley floor, with just thirteen acres under vine. Planted in 1997 on fractured volcanic rock and sandy loam, the site provides both ample sunshine and cooling marine breezes—an ideal combination that yields wines of remarkable structure, intensity, and finesse. Developed by Stuart Sloan and taken to new heights by the Pan family after their 2011 acquisition, the estate has earned its place among the California greats, with multiple perfect scores and global collector acclaim. Sloan Proprietary Red, the estate's flagship since its 2000 debut, is a blend of Cabernet Sauvignon, Merlot, Cabernet Franc, and Petit Verdot. It's a wine of tremendous concentration, elegance and age-worthy complexity. First produced in 2004, Asterisk offers a more immediately inviting lens on the vineyard—crafted primarily from Cabernet Sauvignon and Merlot, with generous fruit, plush texture and the same unwavering attention to detail. At the core of Sloan's success is a powerhouse team including winemaker Martha McClellan, who previously worked with Harlan Estate and now produces wines under her own Levy & McClellan label, who has overseen Sloan since 2001. Legendary vineyard manager David Abreu and consulting oenologist Michel Rolland complete this remarkable trio, each bringing global expertise and a shared commitment to honoring the vineyard's terroir.

This consignment spans every vintage of Sloan from its inaugural 2000 through 2017, and Asterisk from its first release in 2004 through 2007! Formats include full twelve-bottle cases, six-magnum cases and double magnum lots in original wood. These bottles are offered with pristine provenance, direct from the estate and from the owner's personal reserves. This is a very special offering, and a rare opportunity for Napa collectors and lovers of world-class Cabernet!!!

Join us on Thursday, December 18, for this final US auction of the 2025 season! Cheers to a happy holiday season, to your health, and to great wine!

In Vino Veritas,

John Kapon
